About Us

- ▶ UFSWT was founded in 2008 by a group of dedicated 32 Aalim students who shared a common vision: to empower vulnerable communities and individuals. Our pioneers recognized that many individuals and families lacked access to basic necessities like education, healthcare, and economic opportunities. They opted to seed fund initiative with a small portion of their pocket money, hoping to make a big impact, and We are grateful for the blessing of Almighty Allah SWT that our team has been formed.
- Alhamdhulillah,
- ▶ With a focus on specific areas of education, healthcare, or economic development, we work tirelessly to address the complex challenges faced by our Society. Our team of dedicated professionals and volunteers are committed to delivering high-quality programs and services that make a lasting impact.
- ▶ At UFSWT, we believe that everyone deserves access to the resources and opportunities they need to thrive.
- ▶ We envision a world where all individuals can reach their full potential, regardless of their background or circumstances.
- ▶ In response to the growing support from donors, we formalized 'United Friends Social Welfare Trust' in 2020, registering it under the Government of India's guidelines and regulations, and have maintained a separate trust bank account to ensure transparency and accountability & thanks to the support of our growing donor community.
